

DEVIUS

HELLO, IM DAVID ARIAS (DEVIUS). HEAD UX / UI & DESIGNER

Graphic designer - UX / UI & Video games lover

I am a Graphic Designer with knowledge in web design and user experience (UX / UI). I combine technical knowledge and a sense of esthetic, to provide the required advice through the development of projects. I am able to be the strategic ally that guarantees to establish clear criteria, optimizing the time and team work. Guiding each phase of the project to align it with the initial requirement and user needs.
